

## **EDITION NEEDS TO BE ON CAPCUT PREFERABLE**

### **COLORS:**

#661611

#837E68

black and white

Some of the captions need to be in those colours: #661611 #837E68

### **Fonts: (the fonts that are not on capcut I'll send it to you)**

Sundaymasthead (on capcut already)

Speed Rush (not on capcut)

Safety goggles

CrossBar (I want that this font appears to some words from time to time)

### **VIDEO 1:**

Captions with Speed Rush + Crossbar (to some of the words).

I want a very dynamic background and effects

### **VIDEO 2:**

Same as video 1 but instead of Speed Rush=SundayMasthead.(Use automatic subtitles)

It will be the same video but changing the automatic subtitles

### **VIDEO 3.**

Captions with Safety Goggles+Crossbar (some of the words)

I want dynamism + effects. I'm not sure which one's.
